

CTE Teaching Assistant Jacquie Gleckman (Schoharie Center) recently made a donation of \$1006.00 to the Schoharie County Community Action Program for use in their Flood Relief program. The donation is from the sale of “**After Irene**” CD’s. The CD’s contain over 1500 pictures she has taken since Hurricane Irene hit her community. The

pictures are from Middleburgh, Schoharie, Central Bridge, Esperance, Blenheim, Gilboa, Prattsville and many more. All pictures were taken from the first day after Irene struck Schoharie County. CD’s are selling for \$10.00 plus \$3.00 shipping and handling. So far she has sold over 100 copies and is well on her way to the next 100, and the next donation to SCCAP. CD’s are currently being sold at the Artisans Gallery, Main Street in Middleburgh. Jacquie can also be reached at:
